WELCOME TO MARYVILLE COLLEGE!

The eminent educator Dr. William Lyon Phelps once said that it is more important to have a knowledge of the Bible without a college education than it is to have a college education without a knowledge of the Bible.

At Maryville College neither is sacrificed. Here the student is offered both a college education and a knowledge of the Bible.

It is my privilege to extend to you students this my first welcome. It is a privilege to have you in the student body, and Mrs. Copeland and I are looking forward to knowing you personally.

May the years ahead be rewarding to you, to your family, to Maryville College, and to higher education under church leadership.

Sincerely yours,

Joseph J. Copeland

ALMA MATER

Where Chilhowee's lofty mountains
Pierce the southern blue,
Proudly stands our Alma Mater,
Noble, grand, and true.

Chorus

Orange, Garnet, float forever,
Ensign of our hill!
Hail to thee, our Alma Mater,
Hail to Maryville!

As thy hilltop crowned with cedars
Ever green appears,
So thy memory fresh shall linger
Through life's smiles and tears.

Lift the chorus, wake the echoes,
Make the welkin ring!
Hail the queen of all the highlands,
Loud her praises sing!

FIGHT SONG

"On Highlanders"

(Words and Music by Charles Huffman, '49)

On, Highlanders, down the field,
Rolling up a high score!
Tear into the end zone,
Smash on through that line,
Highlanders!
Send a rousing cheer on high,
And our boys will shine,
Come on and fight, fight, fight!
Come on and fight, fight, fight!
For dear old Maryville!

TRADITIONS

The BELL atop Anderson Hall is a symbol of tradition at Maryville. All colleges have traditions, and we here are not lacking in ours. As you become a part of Maryville, these traditions will become a part of you which you will cherish. Our traditions at Maryville are traditions of Activities, Meetings, and Fellowship.

Your first memories will be those of LINES — registration, Treasurer's Office, Bookstore, but the nicest line is the FACULTY RECEPTION LINE. This is the official greeting of all the faculty for all the students and is a must for freshmen. Don your best formal, your firmest handshake, your most sincere smile, and enjoy yourself.

The first few weeks of school are very busy, but also very exciting and happy. We try to settle down to the business of studying amidst the excitement of RUSH WEEK. This is the time when the four societies on campus, Theta Epsilon and Chi Beta for the women and Alpha Sigma and Kappa Phi for the men, carry on competition to try to win prospective members to their societies. The brother-sister societies have a week in which to do this. Such social events as fashion shows, teas, talent shows, band concerts, and square dances are held during RUSH WEEK. The brother-sister societies climax their RUSH period with an original production. The attire for the occasion is usually formal, and the girls are escorted by the men. After the RUSH WEEK is over, the students then decide which societies they wish to join. This is a hard decision, but whichever one is chosen deserves your wholehearted support.

THE STUDENT CENTER, with the Y-STORE, is the place to stop for a quick coke, sandwich, or ice cream cone. Also, a game of ping-pong or bridge is sure to

be in progress most anytime during the day. Stop in and enjoy the friendly atmosphere with other students.

Soon FOUNDERS AND HOMECOMING DAY comes in all its dignity. The morning chapel service, gay dorm decorations, and HOMECOMING PARADE make this a day to remember. The lovely senior girl who reigns as Homecoming Queen over the football game will have this as one of the happiest memories of her college career.

Your guess is as good as ours as to what the theme of this year's BARNWARMING will be. This is THE show of the fall semester and is held each Thanksgiving eve in the Alumni Gym. Sponsored by the Y's, every effort is made to present the best talent in this musical production. The court of the King and Queen is made up of attendants from each of the four classes, elected by the student body. This, too, is kept top secret until BARNWARMING night.

The coming of the Christmas Season brings with it anticipation of the coming vacation. However, there are many activities which are a part of the season that are long remembered. The presentation of Handel's MESSIAH by the Vesper Choir, the combined glee clubs, and all others who are interested in singing, with the accompaniment by the College orchestra, is very inspiring, and usually starts the Christmas season officially at Maryville. CHRISTMAS READINGS are given by various members of the faculty and the student body on the Sunday night of MESSIAH. The last Sunday night before vacation CHRISTMAS VESPERS are held in the chapel, with all the choirs participating.

WARMTH and FRIENDLINESS are two of the most important traditions at Maryville. The friendly "hi" and sincere smiles of all you meet are a vital part of

the whole atmosphere. Be a part of this spirit—you will find friends are easily made.

Spring is officially here when college students, town people, and children make their way to the Amphitheater in the College Woods for the annual MAY DAY PAGEANT. Produced by the Women's Physical Education Department, this colorful occasion is reigned over by the May Day Court. The Queen is chosen from the Senior Class and her attendants from the other four classes.

We began our traditions telling you about the first days on the Hill. As a climax comes COMMENCEMENT with its dignified services and many mixed emotions. One of the lovely traditions is the DAISY CHAIN composed of fourteen girls from the Junior Class, who form the chain through which the graduation procession passes. As seniors leave the campus many find that the strength, knowledge, and insight they have developed here is good preparation for worthwhile service in their chosen field.

Maryville emphasizes the building of the mind, body, and spirit. In her organizations she develops personality and friendship, as students work and play together. In her classes and studies she emphasizes the importance of intellectual curiosity and the acquiring of knowledge. And in her RELIGIOUS ORGANIZATIONS and services spiritual growth is nurtured and one is inspired to loftier goals. Through each of these areas there is a common purpose which is a strong unifying factor in the campus life. It is the spiritual emphasis on our campus that is the impetus to the friendliness and desire to help that are so prevalent among our students. This is an introduction to the religious program that Maryville offers. These are some of the highlights of the opportunities and vital programs that are planned for the students to participate in, to share, and to enjoy.

TIME OUT, is the all-campus prayer meeting held each Thursday night at 9:30 in the Little Chapel. These meetings, which are led by the students, provide an opportunity to share in fellowship and spiritual growth.

The LITTLE CHAPEL located in the Samuel Tyndale Wilson Chapel is open at all times for private and small-group devotions.

Sunday is a quiet, peaceful day for the students as they return from Sunday School and Church. In the afternoon the Y's give an inspiring program and in the evening VESPERS, presided over by our college Chaplain, provides an opportunity for worship and praise as we hear a message and listen to our own Vesper Choir. Sunday is the day that starts our week off with freshness and vigor.

Sometime during the year, a chapel service is set aside for the FRED HOPE FUND. This fund was established as a tribute to the memory of one of Maryville's outstanding graduates, Fred Hope, who spent his life as a missionary in Africa. Today this fund enables Maryville students to have a share in some outstanding foreign missionary service. This past year the fund was given over to the Momjepom Mission Center in Africa.

Early in our second semester we have an inspiring week of religious emphasis, FEBRUARY MEETINGS. The team of leaders, a speaker, a pianist, and a song leader, conduct the services morning and evening for a period of ten days. The strong student interest in these messages usually results in further group discussion after the regular services and in many private conferences with the leaders. Over the years students and faculty have found renewed strength and spiritual re-awakening in these February Meetings, which are one of the oldest and strongest of our Maryville traditions.

Nothing is more beautiful than seeing the sun's first rays burst over the Smokies as the Vesper Choir sings, "Alleluia, Christ is Risen." EASTER SUNRISE SERVICE on Easter morning is an inspiring and enriching experience.

In addition to the many groups on campus which give opportunity for spiritual growth there is MORNING WATCH for your own private devotions. These quiet moments mean much to the students who take advantage of them. We hope you may feel the true spirit of Maryville College and take part in the many opportunities offered for friendship and personal development.

ARTISTS SERIES brings to the campus each year outstanding musical and dramatic artists. LECTURE SERIES gives the opportunity to hear noted scholars and authorities in many fields.

Each spring, near the end of the school year, the Y's RETREAT to a beautiful lake in the mountains for the week-end. This is a time not only of spiritual fellowship, but of spiritual evaluation of the programs and individual growth of the year. The Retreat also gives an opportunity to plan a more pertinent and vital program for the following year. A new theme or purpose for the following year is selected by the cabinet. The Y's are important organizations on the campus, and their spiritual influence is shown by the active membership and wide interest that is shown as the students participate in the programs together.

ACADEMIC REGULATIONS

I. Class Attendance

The system for regulating attendance at Maryville College is based on the principle that consistent attendance is essential to the best class achievement and that excessive absence, regardless of the reason, represents real academic loss. Absence beyond the equivalent of a week's absence in a semester in any class is considered excessive. Each student is expected to keep an accurate record of his absences with the dormitory Housemother or at home, as the case may be.

II. Chapel, Church, and Church School Attendance

Spiritual growth at Maryville College is believed to be as important as scholastic achievement. For this reason, each student is required to attend Sunday school, church, and chapel regularly. It is hoped that services will serve as a foundation for private, individual prayer, and meditation. To cover necessary absences due to illness or other emergency, the student is allowed the equivalent of a week's absence in each class and chapel, and of 3 week's absence in church school and church combined, each semester.

III. Penalties and Appeal

There is no provision for "free cuts." Should a student exceed the allowance for any class, chapel, or church school and church, he is penalized by additional credit required for graduation, at the rate of 1|2 semester hour for each absence.*

Should a student be absent from classes on the two days preceding or the two days following a scheduled holiday, vacation, or recess, he is penalized by additional credit required for graduation, at the rate of 1|2 semester hour for each absence on those days. This applies to all students, including those on the Honor Roll.*

Should a student exceed the allowance in any class or in chapel or church school and church, by an additional week's absence, or should he accumulate altogether 8 excess absences, he is warned by the Personnel Office in writing, and a copy is sent to the parents.

Should a student accumulate as many as 16 excess absences in a semester without valid reason, he is suspended from college immediately.

Absences for any cause totaling one fourth of the class meetings prevent a grade above "D" in the course; if absences total half of the class meetings, "F" is given.

If for some unusual reason, such as a serious accident or prolonged illness, a student is compelled to exceed the absence allowances in any semester, he may present at the Personnel Office before the end of the semester a written appeal, which will be considered by a faculty committee after the close of the semester. To the extent that such an appeal presents clear evidence that all absences were for valid reasons, the committee may at its discretion modify the application of absence penalties. Holiday penalties may also be appealed for valid reasons.

*Academic standing, as officially computed by the Personnel Office, is based on total hours attempted, before application of absence penalties.

IV. Authorized College Activities

Since authorized college activities (athletic, forensic, musical, etc.) within reasonable limits represent educational values in terms of individual development and disciplines, class absences due to such activities count only half.

V. Dean's List

Students on the Honor Roll (standing of 3.25 the previous semester) are not bound by the class allow-

ances, but a record of their absences is kept as for other students, and they must take all announced tests. Such students have the same requirements as others for chapel, church school and church, and are subject to the same penalties for days preceding and following holidays, as well as the aforementioned penalties for absences in excess of $1\frac{1}{4}$ and $1\frac{1}{2}$ the scheduled class meetings.

VI. Make-up Tests

An announced test may be made up only by permission of the Personnel Office to the teacher concerned upon presentation by the student of evidence that the absence was unavoidable. In case of doubt, the Personnel Office should be consulted before the absence. It is understood that in view of the delay and irregularity involved, a make-up test is to be more extensive and thorough than the one missed.

1. General College Standards

A. Automobiles

1. No out-of-town student may have an automobile or other motor vehicle while at Maryville College except by special permission given only in unusual cases. This permission is required whether or not parking space on the campus is desired; request must be made in writing through the Personnel Office before the car is brought.
2. Students living in Maryville who regularly use cars at the College must secure permit tags each year from the Treasurer's Office. Parking spaces will then be assigned to those who park regularly on the campus. (Faculty members also secure permits and parking assignments).
3. Women students are not permitted to ride in automobiles with young men without permission from the Dean of Women. Permission should also be secured from the Housemother for other automobile riding (townspeople, visitors, day students, etc.).

B. Alcohol

1. The use of intoxicants by students is forbidden.
2. Pool-rooms and places selling beer or other alcoholic beverages are off-limits to students.

C. Smoking

Smoking is permitted only in the smoking rooms of the dormitories — not elsewhere, either in the buildings or on campus.

D. Dress

1. Girls wear jeans, slacks, or Bermuda shorts for active sports, hiking, and the like, but never to the dining hall*, classes, library, chapel, administrative offices, or off campus to the Grill or town. The same applies to the wearing of athletic or Bermuda shorts by men.
* Girls are permitted to wear slacks in the dining hall for the Saturday evening meal only.
2. Men always wear shirts or jerseys, even when playing tennis.
3. Careless or sloppy dress is not acceptable in the dining hall at any time. Students are expected to give special attention to dress for Sunday dinner and other dress-up occasions; that is, girls will wear "heels and hose" and men "suits and ties" at such times.

E. General

1. Business agents — Students must have permits from the Students-Help Office in order to solicit business in the dormitories.
2. Ball throwing or snowballing is not permitted near buildings.
3. Athletic facilities are not to be used on Sundays.

4. Each student organization must be approved by the faculty. No secret organization is permitted.
5. Possession of liquor bottles, public or private signs, or road markers is considered, for obvious reason, a disciplinable offense.
6. Possession of firearms, pass-key, or key to any dormitory room other than one's own is forbidden.
7. Regulations imposed by civil law are in effect College regulations. For example, the possession or use of fireworks is violation of Tennessee law and therefore a disciplinable offense.

F. Penalties for Violation of College Standards

1. Demerits

These are given by the Executive Council of the Faculty for violation of College Regulations.

2. Disciplinary or social probation may be imposed by the Executive Council of the Faculty, the Dean of Women, or the Dean of Men; it means that unless the student's behavior is corrected he will be subject to dismissal.

3. Dismissal from College

This decision is made by the Executive Council of the Faculty when a student

- a. accumulates sixteen excess absences within one semester,
- b. accumulates ten demerits,
- c. is guilty of a serious infraction or persistently fails to cooperate with the general program of the College.

II. General Dormitory Regulations

A. Care of rooms

1. Any plans for alterations or improvements in your room must be approved in advance by the Head of your Dormitory, after consultation with the Maintenance Office.

2. Students are held responsible for the condition of their rooms and furniture; charges will be made for any damage.

3. No furniture should be altered or moved from rooms or lobbies without the permission of the Head of the Dormitory.

4. Each student must furnish and use a mattress pad.

B. Electric Current

1. Since the overloading of electrical circuits is a dangerous fire hazard, lamps, clocks, radios, electric shavers, and hair dryers are the only electrical equipment which may be used in dormitory rooms.

2. Provision is made in each dormitory for the use of ironing and cooking equipment at specified places. Such equipment must under no circumstances be used in any student's room.

3. There must be no tampering with the electric wiring.

4. The maximum current allowed to be used in a dormitory room under any circumstances is 150 watts per student. In computing wattage, radios, clocks, electric shavers, and hair dryers are not counted.

5. Only one electric cord may be attached to a single outlet.

6. Dormitory supervisors are required to report immediately to the Dean of Women or Dean of Men any violation of the fire safety requirements stated above.

7. Students are asked to turn out lights when leaving their rooms.

8. Any electrical equipment used in dormitory contrary to regulations will be confiscated.

C. Illness

In case of illness, notify the Housemother at once. Sick cuts should be recorded with the Housemother.

D. Ironing

1. All ironing must be done in the laundry rooms or other specified places. The ironing boards on each floor of the women's dormitories are for pressing only.

2. No ironing is to be done on Sunday except emergency pressing between 7:00 and 9:15 a.m. and 6:00 and 6:30 p.m.

E. Laundering

1. All laundry must be done in the laundry rooms except in emergency cases when small amounts of light laundry may be done in the bathrooms.

2. No laundering is to be done on Sunday.

3. Each dormitory has its own regulations concerning the use of the washing machines.

F. Emergency Drills

Each dormitory will participate in emergency drills, having its own organization and regulations.

G. Telephone

1. Local or long distance calls may be made and received any time between 6:00 a.m. and 11:00 p.m.

2. Outgoing calls, except to faculty and staff, must be made on the pay phones.

3. Incoming calls will be received on the office phone and transferred to the pay phone.

4. Everyone should limit calls to five minutes.

Study

Dormitories are expected to be quiet for study after 7:30 each evening.

Absence from the Dormitory

Overnight absence should be arranged with the Head of the Men's Dormitory or the Housemother. It is important that the whereabouts of students be known at all times, in case they should be needed for any reason.

Lobby

Men living in the dormitory may entertain their families in the lobby.

Disciplinary Measures

Disciplinary measures will be taken by the Executive Council of the Faculty or the Proctor of the dormitory for infraction of these rules:

1. Abusing radio privilege by habitual loud playing after 11:00 p.m.
2. Creating a disturbance in dormitory.
3. Wilful destruction of property.
4. Violation of other dormitory regulations.

IV. Women's Dormitory Regulations

A. All regulations listed under General Dormitory Regulations will apply to women.

B. Closing Hours

Sunday-Friday _____ 10:30 p.m.
Saturday _____ 11:00 p.m.

1. Evenings when activities on-campus run past 10:00 p.m. and the Student Center is open until 10:45 p.m., the closing hour will be 11:00 p.m.

2. "Closed" study hours are maintained in the Freshmen-Sophomore dormitories from 7:30 p.m. to 9:30 p.m. Monday through Friday.

3. Students are expected to be quiet and in their own rooms at 11:00 p.m. each night.

4. Each girl will be required to serve in turn as floor monitor during "closed" study hours. As monitor you must see that the floor is kept quiet and that students are in their own rooms during these hours. The monitor is also responsible for answering the buzzer and seeing that rules in general are obeyed. Monitors will not need to be on duty on nights of large all-campus activities, such as Artist's Series.

5. No typing after 11:00 p.m. except by special permission of the Floor Chairman.

F. Special Permissions

1. If you wish to visit over the weekend or be away from the campus over any night, you must either have written permission from home or have a Standing Permission blank which has been previously signed by your parents. This permission provides for a limited number of weekends (usually not more than five a semester other than to your own home). Standing permission from parents also covers permission for visits to your own home. Plans for visits covered by the permissions should be discussed in advance with the Housemother.

2. A girl spending the weekend at the home of a young man must have a note of invitation from his parents and a note of permission from her parents. These notes should be sent to the Housemother.

3. A girl planning other weekend visits should have a note of invitation from the hostess sent to the Housemother.

4. Freshman and sophomore women may get permission from the Dean of Women for an occasional town-night in Knoxville.

5. Other unexpected emergency permissions that may be necessary should be cleared with the Housemother or the Dean of Women.

6. These same regulations apply for the days between first and second semester.

7. Women students are not permitted to ride in automobiles with young men without permission from the Dean of Women. Permission should also be secured from the Housemother for other automobile riding (townspeople, visitors,, day students, etc).

G. Guests

1. Out of Town Guests

a. Advance arrangements for guests should be made with the Housemother.

b. Guests may stay in student rooms free of charge provided there is bed space per person and bed linens are furnished by the student hostess; otherwise, guests may stay in the dormitory guest room at a charge of \$2-2.50 per night, payable to the Housemother.

c. All guests should be introduced to the Housemother upon arrival and registered in the dormitory guest book.

d. Guests are subject to house and campus regulations. Any infraction of these regulations shall be assumed by the hostess.

2. Guests From Other Dormitories

a. Students may visit in other dormitories provided there is bed space on Saturday night. Mid-week visits may be granted for special reasons only by the Housemother.

b. Before a student leaves her dormitory to visit, she should secure permission from her housemother and then sign out on her regular card.

c. The hostess must register her guest in the dormitory guest book.

d. The visiting student will sign in and out on her hostess' card.

H. Sign-out Plan

1. When to sign out:

Women students are required to sign out for:

- a. All absences from the dormitory after dinner hours (6:00 Monday-Friday and 5:30 Saturday and Sunday),
- b. All day-time absences outside the town-night boundaries,
- c. All absences during the day when not expecting to return until after 7:15.

2. How to sign out:

- a. For sign-out procedure for taking a town-night, see the Town Night Operating Plan on page 29.
- b. When signing out, the woman must fill in properly the necessary information on her card and place the card in the "out" box.
- c. Upon returning to the dormitory, the woman must sign herself in on her card and leave the card in the "out" box. The signout checkers will refile the cards in their original box.

3. Violations of signing-out:

- a. Violations of town-night rules will be handled by the Town-Night Committee of Student Council.
- b. Failure to sign out or sign in for off-campus events other than town-night (such as church picnics, baby-sitting, visits in private homes, community church activities, etc.) and to any place on-campus will result in the following penalties:

	on-campus	off-campus
failure to sign-out	3 points	5 points
failure to sign-in	2 points	3 points
late-1 to 5 minutes*	3 points	5 points

*Each additional minute late will add one point to the penalty.

Over five points for one late penalty will constitute a call before the House Committee.

c. An accumulation of five points will constitute a "Campus." (See definition of "Campus" in Section 1.)

I. Definitions of Penalties

1. "Campus"—When a girl accumulates five points either from sign-out violations or from dormitory rules violations, a "Campus" is given. It means that you must be in your room after 6:30 p.m. until 10:30 p.m. and may not receive phone calls or visitors during this time.

2. "Weekend Campus"—Is the same as a regular "Campus" and is for Friday and Saturday nights.

3. "Strict Campus"—Is given in extreme disciplinary cases. It consists of the regular "Campus" plus the penalty of having to remain on campus throughout the duration of the penalty.

Honor Dormitory Plan

The honor dormitory has been organized by women who desire the opportunity of living under self-government. As members of such an honor system, we realize keenly the responsibility and believe this to be a mature and growing process for each individual.

A. The following Honor Code is signed by each resident of the honor dorm:

"I, _____, do promise and am on my honor to abide by all the rules and procedures pertaining to the Dormitory Honor Code. I do also promise to take the extra responsibility that this code places upon me."

B. Honor Dormitory Procedures and Policies

1. Curfew Rules

- a. Signing in and out will be according to the regular system.
- b. If a girl is late, the number of minutes must be recorded on her late minute card when she comes in. Ten late minutes per semester are allowed for each resident. The exact time of return should be entered on the sign-in card.

2. Girls will maintain reasonable quiet so as not to disturb others at all times, especially in
 - a. halls,
 - b. rooms,
 - c. laundry,
 - d. bathrooms,
 - e. smoking room.
3. Study lounges should be completely quiet.
4. On Sundays light emergency pressing for immediate use may be done. Washing on Sunday is limited to hose and emergency underwear items.
5. At all times the halls must be kept clear of
 - a. clothes racks,
 - b. sweaters on floors,
 - c. trash boxes,
 - d. coke bottles.
6. The smoking room will be open after 11:00 as long as there are at least two persons using it. This is for safety purposes.
7. Each girl is responsible for her conduct and that of her guest or guests while in the parlors or lobby.

8. Classrooms and classroom buildings are not to be used for dating.

9. For the town night procedure see the information about the town night operating plan.

10. It is expected that students will use discretion in dating behavior, so that they will not embarrass themselves or others.

Dancing

1. Social dancing each weekday (except Saturday) evening following supper till 7:15 is informal and is held in the Intramural Gymnasium.

2. Two formal, all-college dances are held each year, one in the winter and one in the spring. For girls dress is formal: for fellows tuxedos are nice but not necessary—business suits are just as acceptable. Admission tickets are regulated by the Social Committee. Your request for a non-student guest must be handled through the office of the Dean of Women.

3. Occasional informal all-college dances have rules which say "No" to corsages, tuxes, and admission charge. Music is recorded, and the informal note is set.

4. Dancing is permitted for small groups scheduling parties in the Y-rooms or other small social rooms, by arrangement with the Dean of Women and those responsible for the premises involved.

Planning All-Campus Entertainment

1. Program must be officially authorized and scheduled through the Faculty Committee on Scheduling of Activities (Office of Dean of Women).

2. Student programs are subject to preview by the Student-Faculty Committee on Student Programs.

Planning Parties, Picnics, and Other Social Activities

1. You must secure approval from the Dean of Women's Office at least five days in advance.

2. If the function involves transportation, it must be by conveyance on which personal insurance is carried on the passengers—this means buses, trains, or private cars.

3. All social activities must be held on the campus or at some other approved place and must be properly chaperoned.

4. The "Y" Rooms are available if arrangements are made in advance through the "Y" Rooms Committee of the YWCA. There is a charge of 25c for use of the kitchen. Each social activity there must also be scheduled through the Dean of Women's Office.

Evening Activities

Evening activities must be scheduled in advance with the Faculty Committee on Scheduling of Activities (Office of Dean of Women).

Initiations

1. Initiations are not to interfere with the general program of the College; for example, they must not be such as to create disturbance in Chapel, classes, dining hall, or dormitory. They must not involve physical force or hazard.

2. Plans and procedures for initiations must be approved in advance by the Student Organizations Committee, in accordance with the principles stated above.

Chaperons

1. Small groups activities (twenty people or fewer including chaperon) may use a senior chaperon. These chaperons are selected by the Student Council from the senior class and approved by a faculty committee. A list of senior chaperons is posted on the Student Council bulletin board in Anderson Hall.

2. All-Campus and other large functions are chaperoned by one or more faculty members depending on the size and nature of the event. Details of chaperoning are worked out with the Dean of Women at the time the event is scheduled.

DINING HALL

Meals are served in the Dining Hall on the first floor of Pearsons Hall according to the following schedule:

Weekdays: 7:00 a.m., 12:30 p.m., 6:00 p.m.

Saturdays: 7:00 a.m., 12:30 p.m., 5:30 p.m.

Sundays: 8:00 a.m., 12:30 p.m., 5:30 p.m.

Your guests may eat in the dining room by arranging with the Dietitian. Meal prices are:

Weekdays:

Breakfast, 40c; Lunch, 85c; Dinner, 85c

Saturdays:

Breakfast, 40c; Lunch, 85c; Supper, 40c

Sundays:

Breakfast, 40c; Dinner, \$1.25; Supper, 40c

All seven of your tablemates will appreciate your appearing well-groomed at meals, especially dinner. For Sunday dinner, both men and women are expected to wear their "Sunday best."

Try to make conversation table-wide, but remember there are tables all around you, and it is annoying to them to have to listen to your conversation. After all, loud and boisterous talking is bad manners anywhere. And speaking of manners, be sure to take them along when you go to the Dining Hall. A polite "please" or "thank you" isn't too heavy a burden for anyone to carry.

Your waitress will appreciate your thoughtfulness in getting to and from meals on time, since she has classes and obligations too.

It is customary that grace be said before every meal.

Again our advice is to be friendly and courteous!

Infirmary

1. If you go to the College infirmary as a patient, arrangements should be made through your housemother. You should take your own pajamas, towel, washcloth, etc.

2. The infirmary clinic is open each week day as follows:

4:00 — 5:00 p.m.

1:00 — 1:30 p.m.

(The doctor is there on Monday, Wednesday, and Friday nights.)

Emergency cases, of course, are received at any time.

3. If you visit patients in the infirmary, please observe the following visiting hours:

4:00 — 5:30 p.m.

6:30 — 7:15 p.m.

Permission should be obtained from the nurse before visiting hours.

Bookstore And Mail Delivery

The Bookstore makes available to the students all necessary school supplies.

The Bookstore hours are as follows:

After Chapel until 8:35

12:55 — 1:25 p.m.

3:25 — 5:15 p.m.

Saturday 1:00 — 2:00 p.m.

Mail is delivered to each dormitory twice each week day and once on Saturday.

Summer Storage

Trunks and boxes properly fastened and labeled may be stored over the summer in the dormitory storage rooms. Each piece must be securely fastened and labeled with your name and address. There is a storage charge of 50 cents per piece. All storage in the College store rooms is left at your own risk.

The Student Body organizations of Maryville College are fortunate to have a number of areas where students and faculty members meet regularly to consider problems of mutual concern. These student-faculty groups include Student Council committees such as Senate, Social Committee, and Student Programs Committee which were described in the Student Body Constitution.

Others of these committees have faculty members appointed by the President of the College with student representatives chosen jointly by the Student Council and the Administrative Committee of the Faculty. These committees are:

I. Discipline Committee

This committee has five faculty representatives and two student representatives. It meets at the call of the committee chairman to consider serious discipline cases.

II. Religious Life and Activities Committee

This committee is composed of faculty representatives from various areas including the College Chaplain, representatives of several academic departments, and several administrative personnel. This committee meets regularly to consider problems and to make recommendations regarding the various religious organizations and the religious program of the College.

III. Artists Series Committee

This committee is composed of college faculty, student representatives, usually from the Fine Arts Division, and townspeople. It meets three or four times each year to make plans for the coming year's program of visiting artists and to arrange

IV. Lecture Series Committee

Each year outstanding persons are brought to our campus to lecture on topics within their fields of specialization. Many times these lecturers are world famous as, for example, William L. Shirer, who spoke this year on the subject "The World Today."

The five student members of this committee have a share in selecting these lecturers and in helping with the receptions that are given for some of them.

What will be new? Well, much of this depends on you. To carry out this year's plans, we need your help. It will mean work, but the dividends are high. Can we count you in?

HOW WE SPEND OUR FREE TIME

While Maryville College puts its major emphasis naturally enough, on scholastic standing, you'll want to be active in a few extra-curricular fields too. We warn you—you'll be tempted to join all the fascinating clubs and organizations the campus boasts. But book learning comes first; better still, find a happy balance between grades and activities. You'll find enough of both to satisfy you; and while our hospital is cool and comfortable, it isn't run as a rest home for exhausted activity hounds.

We hope you'll find activities that will make the most of your time and interests. Efforts and enthusiasm wear better and are more appreciated when they are concentrated. If you budget your time wisely, you'll have not only good grades but also an important place in campus life.

HONORARY FRATERNITIES

Alpha Gamma Sigma

Alpha Gamma Sigma was organized in the spring of 1934, for the purpose of motivating high scholarship among students. Its requirements are similar to those of Phi Beta Kappa. Ten percent of the graduating class may be admitted provided the members have a grade point ratio of 3.33, better than a B average.

Alpha Gamma Sigma awards a scholarship at the beginning of the junior year to the student who achieved the highest scholastic average over the first two years.

Pi Gamma Mu

The Epsilon Chapter of Tennessee of the National Social Science Honor Fraternity, Pi Gamma Mu, received its charter in April, 1957, with five faculty and eleven student members. Its purpose is to re-

cognize the distinctive attainments in the field of social science of outstanding juniors and seniors. Further, the organization seeks to encourage interest in and discussion of important issues in social science.

Pi Kappa Delta

Maryville has the distinction of having the Tennessee Alpha Chapter of Pi Kappa Delta, national honorary forensic fraternity. Debators of sophomore classification or above who have fulfilled certain qualifications are eligible to be elected into its membership. Members of this organization are awarded orders and degrees according to rank and achievement. Maryville participates in the Pi Kappa Delta National and Provincial Conventions.

Theta Alpha Phi

Talented dramatic students may upon meeting certain requirements for membership, be initiated into the Tennessee Delta Chapter of the national dramatic fraternity, Theta Alpha Phi. Members of this organization take a leading part in dramatic activities on the campus; however, opportunity is given to all students to try out for the various plays given throughout the year.

Sigma Delta Psi

Maryville's chapter of Sigma Delta Psi was established in 1930. Membership is earned by meeting the requirements of various athletic tests in the presence of a responsible committee.

Tau Kappa Chi

This is an honorary musical organization for students who are studying applied music or are members of musical organizations. Its purpose is to promote student and community interest in music. The aims are to raise the general academic standing of those en-

rolled in music; to provide a goal for students interested in music; to promote thoroughly trained musicianship; and to further the understanding of all types of music. A general average of "B" for two successive semesters and nomination by the music faculty for excellence in musical performance are required for membership.

SOCIETIES

Chi Beta

Varied activities and friendships highlight the program of Chi Beta Society. Soon after school starts this year, Chi Beta will join her brother society, Kappa Phi, to present a Rush Week program. Weekly meetings through the year are held in Chi Beta Hall.

Theta Epsilon

Organized in 1894, Theta Epsilon Society has played an active part in campus life. The beginning weeks of school this year will find Theta and her brother society, Alpha Sigma, presenting their Rush Week. Meetings are held each week in Theta Hall.

Alpha Sigma

Alpha Sigma, founded in 1884, offers men of the College an opportunity to participate in activities that will build true friendships. It enters teams in all intramural sports and holds an annual weekend trip to the mountains, barbecue, banquet, and similar activities. It joins with its sister society, Theta Epsilon, in producing a dance and a Rush Week program.

Kappa Phi

Kappa Phi, the society of friendship, is the oldest society on campus and holds meetings each week in its

society house. Its men enter various teams in intramurals, and hold an annual spaghetti dinner. Kappa Phi joins Chi Beta, its sister society, in joint meetings, Rush Week programs, and sponsors one formal dance each year.

OTHER ORGANIZATIONS

Student Volunteers

"Student Vols" has a national and world-wide affiliation with the World Student Christian Federation. The main emphasis of the group is the missionary enterprise of each Christian, in whatever circumstance he finds himself. This organization holds regular meetings on Sunday evenings after Vespers in Bartlett Hall. When Christ said, "Go ye into all the world" he meant every Christian, in every generation. True, Vols has furnished hundreds of missionaries and fraternal workers to the church, but now her main task in these challenging times is to make a missionary out of everyone who knows Christ. Through study, involvement, community-service projects, prayer groups, Student Vols is fulfilling this purpose.

Parish Project

Maryville College students render valuable service in the Faith Cooperative Parish, made up of small churches, schools, and mission points in the area surrounding Maryville. College students are needed in the program to serve as Sunday School teachers and as youth workers. More are needed to preach on Sundays and to teach during the week. Students are given a half-hour credit for this work, and they attend weekly conferences for guidance in their program.

CLUBS

International Relations Club

Maryville's I.R.C. is affiliated with the Association of International Relations Clubs. Its purpose is to stimulate an awareness of current international affairs. Student-led programs include movies, speakers, and discussions on such pertinent topics as Indo-China, Israel, and South Africa.

Pre-Medical Club

To anyone who is planning to go into, or who is interested in medicine and all related fields such as dentistry, nursing, technology, and psychiatry, the Pre-Med Club offers excellent opportunity for trips and for lectures from various prominent members of those professions. The club meets twice a month throughout the year, and interest is the only prerequisite to membership.

French Club

The French Club is composed of thirty members who are taking French and who qualify for membership by scholarship and interest. This club features semi-monthly programs of French songs, games, movies, and plays, and holds occasional socials.

German Club

All college students who are interested in German culture, regardless of whether or not they are German students, are eligible for membership in the German Club. Regular meetings are held twice a month to stimulate interest and participation in different phases of German culture.

Spanish Club

The limited active membership of thirty, plus all

native Spanish-speaking students on the campus are elected from applicants who are interested in the activities of the Spanish Club. Besides the semi-monthly evening meetings, at which are presented programs of Language, customs, culture, music, dance, and use of audio-visual equipment in the language laboratory, there are an outdoor picnic and a Christmas party featuring the Spanish pinata. All freshmen are invited to visit the club when they arrive on the campus.

Women's "M" Club

This is the girl's Athletic Club of Maryville College. Membership is attained by making a total of 400 or more points through participation in what is known as Women's Athletic Association. In addition to activities two hours a week the members meet monthly for business discussions and enjoy an athletic activity together. The high spot of the club's activities is the weekend hike in the Smoky Mountains once each semester.

Men's "M" Club

The Men's "M" Club is open to all varsity lettermen and male members of the coaching faculty. The purpose of the organization is to further the bonds of athletic brotherhood on the Maryville campus, to be of service to the school and the athletic program, and to increase loyalty to the best interests of the College.

Student National Education Association

Jasper Converse Barnes Chapter of the Student National Education Association was organized in the spring of 1949. All students planning to teach are eligible for membership in this club, which is affiliated with the National Education Association.

B. G.

This is a small club of eight campus girls who keep the meaning of their initials a secret. At the end of each year two freshman and one sophomore are elected members. Originally organized for hiking, the club today is purely social.

Music Education Club

The Music Education Club is affiliated with the Music Educators National Conference as Student Members Chapter 383. Membership is open to all students interested in teaching music. Meetings are held the first and third Thursdays of each month.

MUSIC

If you have any musical ability whatsoever, be it singing, blowing a tuba, or playing a violin, there's ample opportunity at Maryville to develop those talents. The musical program gets in full swing with the performance of the marching band at the football games and ends with choir's final anthem on graduation day. Recitals which anyone may attend are given from time to time by music students and faculty.

College Choir

The College Choir provides good training and genuine pleasure for those who are interested in singing. It is composed of about sixty members who must pass rigid tryouts before they are accepted. The group par-

ticipates in the weekly vesper services and the daily chapel programs and presents special programs in Maryville and surrounding cities. The Choir has sung in many cities of the East, Midwest, and South.

All-Girl Choir

The sixty girls who compose this group are selected by tryouts each semester. They replace the Vesper Choir at the Sunday evening service a number of times a year. In the fall the Girl's Choir combines with the Men's Glee Club to present a sacred concert, and in the spring the combined groups present a program of secular music.

Men's Glee Club

This group consists of about forty men, but additional members may be admitted by tryouts each semester. The sacred concert in the fall and a secular program in the spring are the highlights of the year's activities for the Glee Club.

Band

The students who enjoy playing a musical instrument are urged to try out for the College marching band. The band, numbering about fifty pieces, plays for all the home football games and takes occasional out-of-town trips with the team. For freshmen and sophomores the marching practice takes the place of the physical education requirement. When football season is over, the marching band reorganizes as a concert band, which gives an outdoor concert during the last few days before Commencement. Don't take the chance of not having an instrument for tryouts; bring it along with you this fall.

As befits true "Highlanders," the band is uniformed in authentically styled kilts of imported Scotch wool. They make a striking appearance on parade and are the pride of the campus.

Orchestra

Orchestra members are admitted and placed by try-outs each fall. They gain valuable experience in presenting two concerts of classical numbers annually and accompanying "Messiah." Their spring concert features an outstanding music student playing a well-known concerto.

String Ensemble

The String Ensemble is open to all string players in the orchestra. Various programs are given throughout the year, both on and off campus.

DRAMA AND DEBATE

Playhouse

The Maryville College Playhouse has at its disposal one of the finest and best equipped theaters in this part of the country. Playhouse presents three major productions each year. Last year the plays were Noel Coward's **Blythe Spirit**, Shakespeare's **Merry Wives of Windsor**, and **The Romancers** by Edmund Rostand.

Playhouse originated in the fall of 1949 and is open to all those who are interested in acting or in any of the technical aspects of production. Under a point system, apprentices work for the positions of Journey-men, Player, and Master Player.

Debate

Of all our teams, we are probably most proud of our Debate Team. They are consistent winners through the years. Debating is an excellent extracurricular activity and is a great aid to the development of poise and self-confidence. It is especially valuable for those planning to enter the ministry or law professions. Debate is open to anyone who is interested and is operated on

a class basis, college credit being given at the end of the second semester. Debaters compete in local, regional, and national tournaments. Those who reach the top ranks may be elected into the national honor society for debaters, Pi Kappa Delta.

CAMPUS PUBLICATIONS

For those who are interested in writing or in working on the staff of publications there are many varied opportunities here at Maryville. Through serving on these staffs valuable experience is gained.

Highland Echo

The **Highland Echo** is the college newspaper, usually published bi-weekly. Freshmen and other new students are welcomed and are urged to try out for the staff positions if they are interested. At the end of each college year staff promotions are made on the basis of writing, interest, and dependability. The **Echo** constitution limits the number of staff members from each college class. The editor is elected by the staff and is usually a senior. Chief purpose and policy of the **Echo** is to present campus news as interestingly and as thoroughly as possible. The **Echo** also seeks to acquaint students with national and international problems of particular interest to them, thus helping our student body to identify with the total student generation.

Chilhowean

The **Chilhowean** is the annual yearbook, published under the supervision of the junior class. All organizations, events, and activities of the year are viewed in picture and word. There are also individual pictures of the student body.

Alumni Bulletin

The **Alumni Bulletin** sends news of the College and alumni to former students of the College. It is published monthly by the Alumni Office.

M Book

As you have already discovered, the **M Book** is the little volume you are now reading. It is published every year by the YMCA and YWCA and is the official College handbook. College rules, customs, and activities are described within for the student's benefit.

INTRAMURALS

All men are encouraged to participate in the intramural program. The program consists of the major sports—touch football, basketball, softball, as well as all phases of minor sport activity, such as swimming, wrestling, tennis, golf, ping-pong, badminton, and volleyball.

The men participating are striving also for individual honors in the monogram "M" given for point accumulation for actual participation, officiating, or managing a team in competition. Team honors are also distributed in each sport.

In the spring semester, the YMCA awards the sportsmanship trophy to the senior showing the best character in competition during that year.

All classes actively engage in this program and competition is keen. This program offers a wholesome opportunity for the student in the recreational phase of his college life.

INTERCOLLEGIATE ATHLETICS

Maryville College has a well-rounded sports program suited to all men interested in playing intercollegiate

athletics. The SCOTS participate in baseball, football, and basketball, as well as track, tennis, and wrestling.

They take on colleges of similar size in football and basketball and universities and larger colleges in baseball and other sports.

There are opportunities for all men to compete in these sports, as M.C. does not buy her athletes. Support or try out for the team of your choice.
